

Appointments.

Out-patient Consultations:

Cheltenham Nuffield Hospital

Out-patient consultations are normally held at the Cheltenham Nuffield Hospital on one or both of the following days most weeks:

- Wednesday pm and early evening
- Thursday pm and early evening

Special arrangements may be made for consultations at times other than these although this may involve a slight delay in the appointment.

Cheltenham General Hospital

Consultations made be held in the Private Patients' Suite at Cheltenham General Hospital if required by insurance cover or if special arrangements are required. These are arranged on an individual basis. Some minor procedures such as out-patient haemorrhoid treatment may not be available at these appointments and follow-up appointments may be needed in these circumstances.

Day & In-patient care / investigation / surgery

Cheltenham Nuffield Hospital

The Cheltenham Nuffield Hospital may be used for day case surgery, in-patient surgery, endoscopy or in-patient observations.

Routine operating lists occur on one or both of the following days most weeks.

- Wednesday pm
- Thursday pm

Special arrangements may be made for procedures at times other than these especially for major surgery.

Cheltenham General Hospital – Private Patients' Suite (Knightsbridge Ward and Endoscopy Suite)

Cheltenham General Hospital Private Patients facilities may be used for day case surgery, in-patient surgery, endoscopy and emergency in-patient care. Specific anorectal investigations may only be available via the CGH private patients facilities.

Operative sessions are arranged on a case by case basis and availability of any specific date or time may be limited.

Endoscopy and anorectal investigation sessions occur on Wednesday morning most weeks.

Winfield Hospital – Gloucester

Day case and In-patient procedures may be arranged at the Ramsay Winfield Hospital, Gloucester by arrangement.

The choice of hospital made may be influenced by the need for particular facilities available at the hospital, the type of insurance cover or arrangements for fixed price surgery for self-paying patients.
